Student shall mean any individual who is enrolled in any school entity.

The school will maintain a Dating Violence Response Team (DVRT) that shall be responsible for receiving complaints and responding in accordance with this policy.

The school will designate one (1) or more school employees to be members of the DVRT.

If a student notifies a school employee who is not a member of the DVRT of the dating violence, that school employee should immediately notify a designated member of the DVRT. In that regard, school employees will be aware of the proper protocol, including contact information for the designated DVRT member, to follow in order to respond to incidents of dating violence between students on school property, at any school-sponsored activity, or on any public vehicle providing transportation to or from a school or school-sponsored activity.

Complaint Form

The complaint form shall be made available to all students.

The DVRT member who is notified of the dating violence incident may offer the student assistance in completing the complaint form.

The DVRT member shall file completed complaint forms in a secure location in the school and district administrative offices.

Investigation

Once a complaint has been referred, the DVRT shall initiate an investigation. The investigation shall be conducted in a manner that is designed to maintain confidentiality to the extent allowed by state and federal law and with a full and fair investigation.

If the DVRT determines that abusive behavior has occurred on school property, at any school-sponsored activity, or on any public vehicle providing transportation to or from a school or school-sponsored activity, the DVRT shall make recommendations for a prompt and effective response, which may include disciplinary action for the alleged perpetrator if s/he is a student and modifications for the victim/student that are reasonably intended to ensure the victim's safety.

Recommendations in response to a determination that the abusive behavior has occurred should minimize the burden on the victim, and thus should not, as a matter of course, remove the victim from classes or prompt a change in the victim's class schedule while allowing the perpetrator's class schedule to remain intact.

If the dating violence did not occur on school property, at any school-sponsored activity, or on any public vehicle providing transportation to or from a school or school-sponsored activity, the DVRT may still provide modifications to the victim that are reasonably intended to ensure the victim's safety.

Because of safety concerns, the district shall maintain a system for documenting each complaint and investigation of dating violence. The district shall maintain a complete file for each case of dating violence and shall preserve the case file consistent with district record retention policies.

The file shall contain written documentation of actions taken by a DVRT member on behalf of a student experiencing dating violence. School employees acting with regard to a dating violence incident shall document the action in writing and provide the documentation to the DVRT. The DVRT's files shall be kept in a secure, locked filing cabinet under the control of the:

- chief school administrator;
- building principal;
- guidance counselor; or
- his/her designee.

In order to protect the safety and confidentiality of the victim and to comply with state and federal law, access to the DVRT files shall be consistent with the school's confidentiality policy pertaining to the protection of student records.

In addition to state law, the Federal Family Educational Rights and Privacy Act (FERPA) applies in order to protect the privacy of a student's educational records.
