Dr. Terence P. Meehan
Superintendent

Mr. Luca Passarelli
High School Principal

Dr. Tracy McCalla
Jr. High School Principal

Dear Parent/Guardian:

It is a pleasure to welcome you to a new school year. Your child is entering a very important time in their academic preparation. It is the goal of the Neshannock Township School District to provide opportunity for all of our students to explore and discover new and exciting learning opportunities.

Neshannock Township School District is very pleased to offer courses that are designed with the content and rigor of college level instruction. In conjunction with three local Universities we continue to offer students the opportunity to earn full college credits for comparable freshmen level college courses. Your student has demonstrated great potential for advanced learning and is enrolled in courses that are now eligible for college credit. The "College in High School" courses have been identified and designed to meet the requirements of Seton Hill, a private university located in Greensburg, Pennsylvania, Duquesne University, and the University of Pittsburgh. All three Universities have very high academic standards and will be working closely with administration and our faculty to ensure the validity of the courses. "College Within the High School" only offers credits to Juniors and Seniors in the identified courses.

A meeting has been scheduled on **Wednesday, September 12, 2018 at 6:00 pm in the Large Group Instruction Room**. The meeting is to provide an overview of the College in High School partnership and begin the registration process for college credits. We will also be able to answer any questions you may have regarding the program. There is a registration fee for the credits, which will be explained at the meeting and a check (made payable to NTSD) or cash will be needed for payment. Enclosed is the registration form and a complete list of courses for your review.

You are not required to register for the college credits to remain in the course. However, once registration at Seton Hill closes, we will not be able to register for the credits. Cost remains the same as last year at \$220.00 per course. Duquesne University course is \$ 300.00 and the University of Pittsburgh course is \$320.00. Payment plan option is also available with a down payment of \$55.00 per course due at meeting

If you are unable to attend this meeting, but would still like to register you for college credit, please contact the High School Guidance Counselor, Mrs. Brenda DeVincentis at bdevincentis@ntsd.org. We look forward to working with you to provide every opportunity for your child to experience great success with a solid foundation for higher educational growth.

Sincerely,

Brenda DeVincentis
