

Dear Families/Guardians:

The Neshannock Township School District uses a service provided by Harris School Solutions called Go.edustar. Go.edustar provides real-time reports of student information that can be accessed by parents and students. Parents and students will have immediate access to:

- N** Demographic information
- N** Attendance records
- N** Grade/report card
- N** Progress reports
- N** Schedules
- N** Calendar Items

To create a Parents Online Web Portal account, please complete the Go.edustar Parent Online Application Form and return it to the school where your child(ren) is enrolled or snap a picture/scan/email it to cferry@ntsd.org. The parent/guardian email will be added to our ProSOFT Student Information System. Within a few days, you will receive two emails that will complete the activation of your account. The first email will verify that the email address listed is active. The second email will include your login ID and Password to the Parents Online Web Portal. Both emails will come from Go.edustar.

If you do not have an email account, please check the box indicating no email account and return the form to school. Additional information will be provided to families/guardians without email accounts.

Respectfully,

Christopher Ferry, Director of Technology

Go.edustar Parent Online Application 2019-2020

Parents/guardians of First Grade Students, newly enrolled students, and parents/guardians who have not accessed Go.edustar in the past should complete the application and return it to Mr. Christopher Ferry, Director of Technology. cferry@ntsd.org

First Name
