

Neshannock Township School District

A Commitment to Excellence

3834 Mitchell Road
New Castle, Pennsylvania 16105
724-658-5513

Mr. Luca J. Passarelli
Senior High Principal

Mrs. Alicia Measel
Junior High Principal

Dear Parent/Guardian:

It is a pleasure to welcome you to a new school year. Your child is entering a very important time in their academic preparation. It is the goal of the Neshannock Township School District to provide opportunity for all of our students to explore and discover new and exciting learning opportunities.

Neshannock Township School District is very pleased to offer courses that are designed with the content and rigor of college level instruction. In conjunction with three local Universities we continue to offer students the opportunity to earn full college credits for comparable freshmen level college courses. Your student has demonstrated great potential for advanced learning and is enrolled in courses that are now eligible for college credit. The "College in High School" courses have been identified and designed to meet the requirements of Seton Hill, a private university located in Greensburg, Pennsylvania, Duquesne University, and the University of Pittsburgh. All three Universities have very high academic standards and will be working closely with administration and our faculty to ensure the validity of the courses. University of Pittsburgh and Seton Hill University "College Within the High School" only offers credits to Juniors and Seniors in the identified courses. Duquesne is now offering credit to students in grades 9-12 in the identified classes.

A PowerPoint has been built and put on the school website (www.NTSD.org) under the guidance link. The PowerPoint provides an overview of the College in High School partnership and explains how to begin the registration process for college credits. You are not required to register for the college credits to remain in the course. However, once registration closes, you will not be able to register for the credits. Students are still required to take the AP Exam at the end of the year regardless of College Within the High School registration.

There is a tuition fee for any of the credits. Enclosed is the online registration form and a complete list of courses for your review. You must register for the Seton Hill class on line. Seton Hill cost is \$225.00 per course. Duquesne University course is \$ 329.00 and the University of Pittsburgh course is \$300.00.

Please contact me at bdevincentis@ntsd.org if you have any questions regarding any College within the High School Courses. We look forward to working with you to provide every opportunity for your child to experience great success with a solid foundation for higher educational growth.

Sincerely,

Brenda DeVincentis
High School Counselor

**College in High School
Registration Instructions
FALL SEMESTER & YEAR-LONG COURSES ONLY
FOR PREVIOUSLY ENROLLED STUDENTS**

IMPORTANT: You will need your student ID number before you begin online registration. (This is the number that was assigned to you when you last registered for College in High School. If do not know your Student ID number, please contact your Guidance Counselor or krother@setonhill.edu giving your full name and the high school you attend.)

Seton Hill University and your high school are working together to offer eligible students the opportunity to earn college credits through the College in High School (CHS) Program. Register for one or more of the approved courses and upon successful completion of each course, you will receive college credit from Seton Hill University. Tuition is \$225 per course and may be paid at the time of registration.

Please note: Tuition is not refundable if the student withdraws from a course after registration closes.

1. Go to griffingate.setonhill.edu and click on the **College in High School** tab.

2. Go to the **Password Management** link on the left navigation panel.

The screenshot shows the GriffinGate website interface. At the top, there is a dark header with a 'Login' button and the GriffinGate logo. Below the header, a breadcrumb trail reads 'Home > College in High School'. A secondary breadcrumb trail below that reads 'You are here: College in High School > Create Account > CUS Create Account'. On the left side, there is a navigation panel with links: 'College in High School', 'Create Account', 'Password Management' (which is circled in red), and 'Quick Links'. Under 'Quick Links', there are links for 'Canvas' and 'SHU E-mail'. On the right side, the main content area is titled 'College in High School' and contains a message: 'To obtain credentials in order to be able to register for courses, click the continue button below. You will be required to verify your identity, then a username and password will be emailed to you.' Below this message is a 'Continue' button.

3. Go to **Activate My New Account**

This screenshot shows the GriffinGate website with the 'Password Management' section active. The breadcrumb trail now reads 'You are here: College in High School > Password Management'. The left navigation panel includes 'College in High School', 'Create Account', 'Password Management', and 'Quick Links'. The main content area is titled 'Password Management' and contains two links: 'Forgot My Password' and 'Activate My New Account' (which is circled in red). The 'Quick Links' section on the left remains the same.

4. Complete the information requested. Your Student ID number is the number that was assigned to you when you last registered for College in High School. (If do not know your Student ID number, please contact your Guidance Counselor or krother@setonhill.edu giving your full name and the high school you attend.)

This screenshot shows the account activation form on the GriffinGate website. The breadcrumb trail is 'You are here: College in High School > Password Management'. The left navigation panel is the same as in the previous screenshot. The main content area is titled 'Password Management' and contains a message: 'In order to activate your account, please enter the personal facts below and click Continue.' Below this message is a form with three fields: '1. Last name', '2. Date of Birth (MM/DD/YYYY)', and '3. School ID Number'. Each field has a corresponding input box. Below the input boxes are 'Continue' and 'Cancel' buttons. The entire form area is circled in red.

5. Create a password. Confirm it. Click **Continue**.

The screenshot shows the GriffinGate website's Password Management section. A message states: "Your account is ready to activate. Your username is [redacted] and your email address is [redacted]. Please make a note of these, then follow the instructions below for setting your new password." Below this, a note specifies password requirements: "Be sure your new password conforms to the password rules. Your new password must be between 4 and 8 characters in length and contain at least one digit, one lowercase letter, one uppercase letter, and one special character (@!#\$%^&*~+). Be sure not to use part of your name or username when choosing a password." Two input fields are present: "Enter new password:" and "Enter new password again:". Both fields contain the text "g". A "Continue" button is located below the second field. The left sidebar includes links for "College in High School", "Create Account", "Password Management", and "Quick Links" (Canvas, SHU E-mail).

6. Complete the security questions. Click **Continue**.

The screenshot shows the GriffinGate website's Password Management section after the password has been updated. A message states: "Your password has been updated." Below this, a note says: "Select a unique question from each drop down and give a unique answer for each question." Two dropdown menus are visible. The first dropdown is labeled "First name of the person you took to your first prom?" and the second is labeled "In what city or town did your mother and father meet?". Both dropdowns have "g" selected. A "Continue" button is located below the second dropdown. The left sidebar and footer are identical to the previous screenshot.

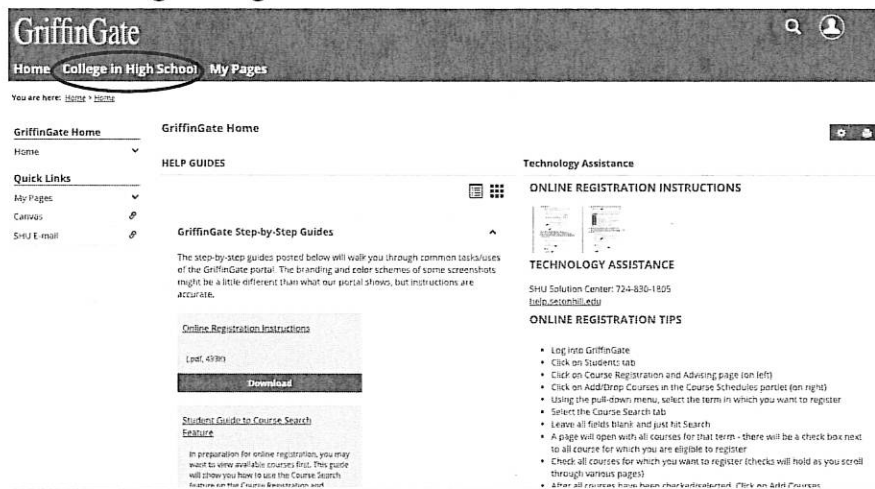

7. Click the Home tab and then click the link highlighted below to log in using the username supplied and the password you just created.

The screenshot shows the GriffinGate website's header with the "Home" tab selected. Below the header, a message states: "College in High School students, please click here to login. All other students, please use the login button at the top left of the page." The text "click here to login" is circled. The footer includes links for "Privacy policy", "About us", and "Contact us".

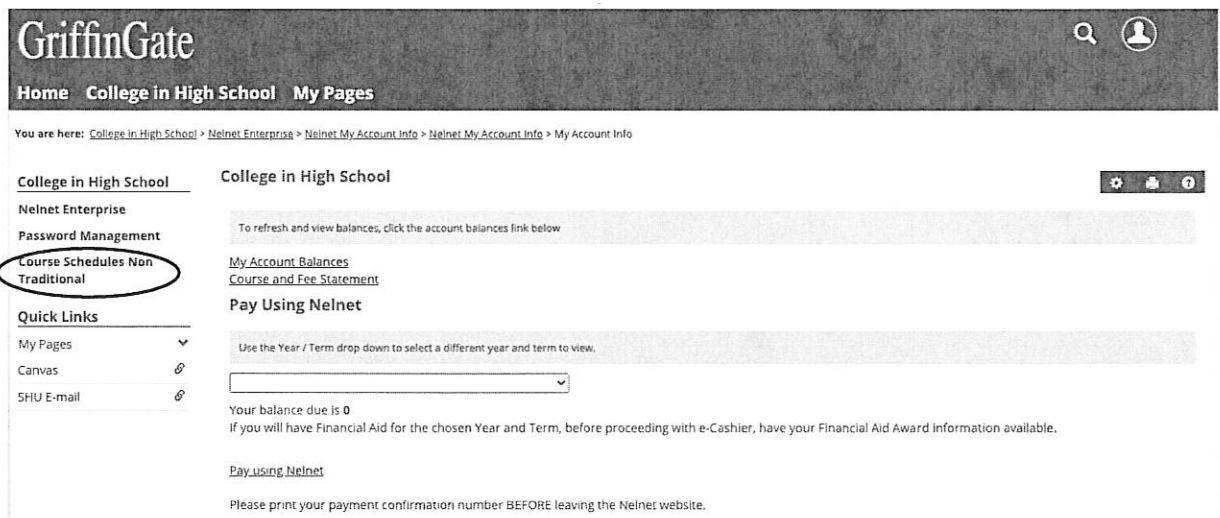

8. Go to College in High School tab

9. Go to College in High School tab

10. Go to Course Selections Non-Traditional link in the left navigation panel.

11. Then go to **More Search Options**
