

# Caring for People. Serving Great Food.

October 20, 2021

Dear Neshannock Township Families,

As your school's food service provider, our goal has always been to provide high-quality, nutritious, healthy, and well-balanced meals to your child.

Since the onset of the pandemic, we've all experienced shortages in the grocery stores and restaurants we visit. School food service is not immune to those same challenges. Occasionally you'll notice changes to school menu options, or your child may tell you that a favorite menu item has been missing. We want to reassure you that your child will still be able to enjoy a nutritious, balanced quality meal daily.

For regular updates to your school's menu, visit [ntsd.nutrislice.com](https://ntsd.nutrislice.com). Should you have specific concerns or questions, please reach out to your Food Service Director Jason Williams at **724-856-4633** or [jwilliams@ntsd.org](mailto:jwilliams@ntsd.org)

Thank you for entrusting us to serve your child, as well as your continued understanding and patience!

Jason Williams
