

2022 PIAA Softball Championships: Finals

Thursday & Friday, June 16 & 17, 2022

Location: Beard Field at Nittany Lion Softball Park ~ Penn State University
University Park, PA (corner of Park Avenue and University Drive)

Schedule: See attached Schedule of Events for each day

Team Arrival: Team Buses should proceed straight to the small parking lot by the tennis courts to turn around and then pull into the Bus Drop Off Area to unload. (See attached Diagram of Penn State Nittany Lion Softball Park.) All teams are permitted to use the visiting team locker room as open, shared restrooms before and after each game. We will also open the small visiting team coaches' locker room for any male members of their traveling party. There are also bathrooms in each dugout and job johnnies in the open Warm-up Area.

Teams should take all of their equipment with them to the Warm-up Area. (See attached Diagram of Penn State Nittany Lion Softball Park.)

** If your athletic trainer is driving separate, please be sure he/she knows where to park and where to enter!

Warm-ups: Each team will be given 15 minutes of batting cage time. To access the Outdoor Batting cage on the 3rd base side, teams will have to walk around the outfield fence and enter through those gates. Stay out of any muddy areas. **NO** mud should be tracked into the batting cage area.

For further warm-ups, the Home Team can use the 1st base bullpen and the Visitors can use the 3rd base bullpen. Batting cages are off limits after your allotted time. Should the team playing need to use the bullpen, they get first priority during their game and the team warming up will need to leave the bullpen.

Once in the dugout, each team will be given 10 minutes of infield practice.

During warm-up times, please do not stand or hit balls on the lines.

See attached PIAA Finals Time Schedule for your team's designated times.

Line-ups: Each team should hand in a copy of their line-up to the press box or your Team Liaison before taking Infield Warm-ups.

Dugouts: The home team will occupy the 1st base dugout (for 2022 the team at the Bottom-of-the-Bracket will be the home team).

End of Game: **Immediately** following the game and awards ceremony, teams will exit the field/dugouts to allow for the next teams to get ready for the next game. **ALL HEAD COACHES and requested athletes** are to report to the Media Area on the 1st base side for post-game comments. All teams must exit through the field access point on the 1st base side.

Important: No Sunflower Seeds. No dumping of water coolers. No cleats in the building.

PLEASE MAKE SURE YOUR FANS KNOW THE FOLLOWING INFORMATION.

Spectator's Rules

1. All tickets must be purchased in advance through Home Town Ticketing. [PIAA Softball Championships Tickets - Home Town Ticketing](#)
2. Tickets will not be sold at the gate.
3. Admission Prices for the Finals will be: \$8.00 (plus processing fees) ALL Adults and Students (K-12). Pre-kindergarten children are admitted free-of-charge.
