

# College in High School Program Overview

---

2022-2023

A partnership between Neshannock Township School District  
and

Seton Hill University/University of Pittsburgh/Duquesne University

## College in High School Program

---

College in High School has been designed to accelerate top students to college-level academic preparation while taking high level high school courses.

The program leads to college credits earned for freshmen level courses which are required by most universities.

Students **may** be able transfer the credits to the college or university of their choice. The students may have advanced standing at the university level, which equates to great savings in time and money for the student.

---

# Benefits to earning college credits in high school

---

- ❑ Credits MAY be transferable to most universities and colleges for similar courses. (not all colleges/programs accept transfer credits)
  - ❑ Students may graduate (college) early.
  - ❑ Tremendous savings in college tuition expense.
  - ❑ Students may earn a dual major with the additional time available at college.
  - ❑ Students may take lighter semesters at college during peak academic or athletic times.
  - ❑ Signifies to college acceptance officials the student's readiness for higher education.

# NTSD College in High School

---

- Seton Hill University -For students enrolled in the NTSD program **\$230 per course**. Registration and payment is online
  - University of Pitt- For students enrolled in the NTSD program **\$300 per course**. Mrs. Rogers will tell how to register & submit payment
  - Duquesne University- For students enrolled in the NTSD program **\$ 342 per course**. Mrs. DeVincentis will mail your payment and registration directly to Duquesne once received.
-

# Criteria for credit consideration

---

Students must earn a 70% or higher in the course WITHOUT the added 5% for Honors courses or 10% for AP courses.

Example: Student receives a 70% in AP Calculus on report card. This would be a 60% without the 10% so no credit will be awarded by Seton Hill University.
