
Dear Prom Patron,

On behalf of Neshannock High School, we are reaching out to you to share the wonderful news of a Junior-Senior Prom in the works! Through the use of surveys and focus groups, our Class of 2024 has narrowed down their "Prom Wish List," and we are doing all that we can to give them a night to remember as we go "Around the World" on May 11!

We are excited that the surveys indicate that the vast majority of our junior and senior classes plan to attend the 2024 Prom. In response to the pandemic, the 2021 dance was held on campus for the first time since 1982! The event was so well received by our student body that we have continued to host Prom on campus as a new tradition!

Our seniors have let us know that they are hoping to have an evening filled with DJ entertainment, casino games, food trucks, and décor that transforms the school into a destination fit for a world traveler - no passport needed!

We are committed to hosting an event that our promgoers will not only enjoy, but also deserve. For this reason, we are reaching out to you, our valued stakeholders and partners, for your financial support.

Thank you for your consideration and continued generosity.

Most sincerely,
Neshannock High School Prom Committee
